

MG217 PSORIASIS THERAPEUTIC SCALP TREATMENT- coal tar shampoo
Wisconsin Pharmacal Company

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active Ingredient

Coal Tar 3%

Purpose

Psoriasis, Seborrheic Dermatitis, Dandruff Treatment (from Coal Tar Topical Solution, USP 20%)

Uses

For the temporary relief of these symptoms associated with psoriasis,

- itching
- scaling
- flaking
- redness
- irritation of the scalp

Helps prevent recurrence.

Warnings

For external use only.

Ask doctor before use

if condition covers a large area of the body.

When using this product

- avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water.
- use caution in exposing skin to sunlight. It may increase your tendency to sunburn for up to 24 hours after application.
- do not use with other forms of psoriasis therapy such as ultraviolet radiation or prescription drugs unless directed by a physician.
- do not use for prolonged periods without consulting a physician.

Stop use and ask a doctor if

- condition worsens.
- condition does not improve after regular use of this product as directed.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center immediately. This product contains coal tar, a product known in the state of California to cause cancer.

Inactive ingredients

Deionized water, Sodium Alkyl Ether Sulfate, Cocamidopropyl Betaine, Lauramidopropyl Hydroxysultaine, Palmitic Betaine, Guar Hydroxypropyltrimonium Chloride, Hydrolyzed Collagen, Phenoxyethanol, Methyl Paraben, n-Butyl Paraben, Ethyl Paraben, Isobutyl Paraben, Propyl Paraben, Fragrance FD and C No. 1

Directions

- shake well before using.
- wet hair then massage liberal amount of MG217 into the scalp and leave on for several minutes. Rinse thoroughly.
- for best results, use at least twice a week or as directed by a physician.
